

MoDOT

Consulting Services

in 2023

And Beyond

Jeff Cremer

MoDOT - Professional Services
Coordinator

Safety is not a “priority” for MoDOT. Safety is a MoDOT Value! Our priorities will change from time to time but our values are who we are.

We’re working with Construction & Materials Division & our Chief Councils Office to add a safety clause to all consultant contracts.

**SAFETY
DOESN'T
HAPPEN by
Accident!**

**SAFETY CLAUSE
in Consultant
Contracts**

MoDOT On-Call

MoDOT On-Call Process

RFQ Advertisement	9/28/22

Process Status

Sorry for the Delay
It's All My Fault...

Pre-Qualification List

We'll make a greater effort to keep consultants informed of status

Financial Pre-Qualifications

We're getting some help!

Missouri Buys

We're building a centralized Consultant Management System!

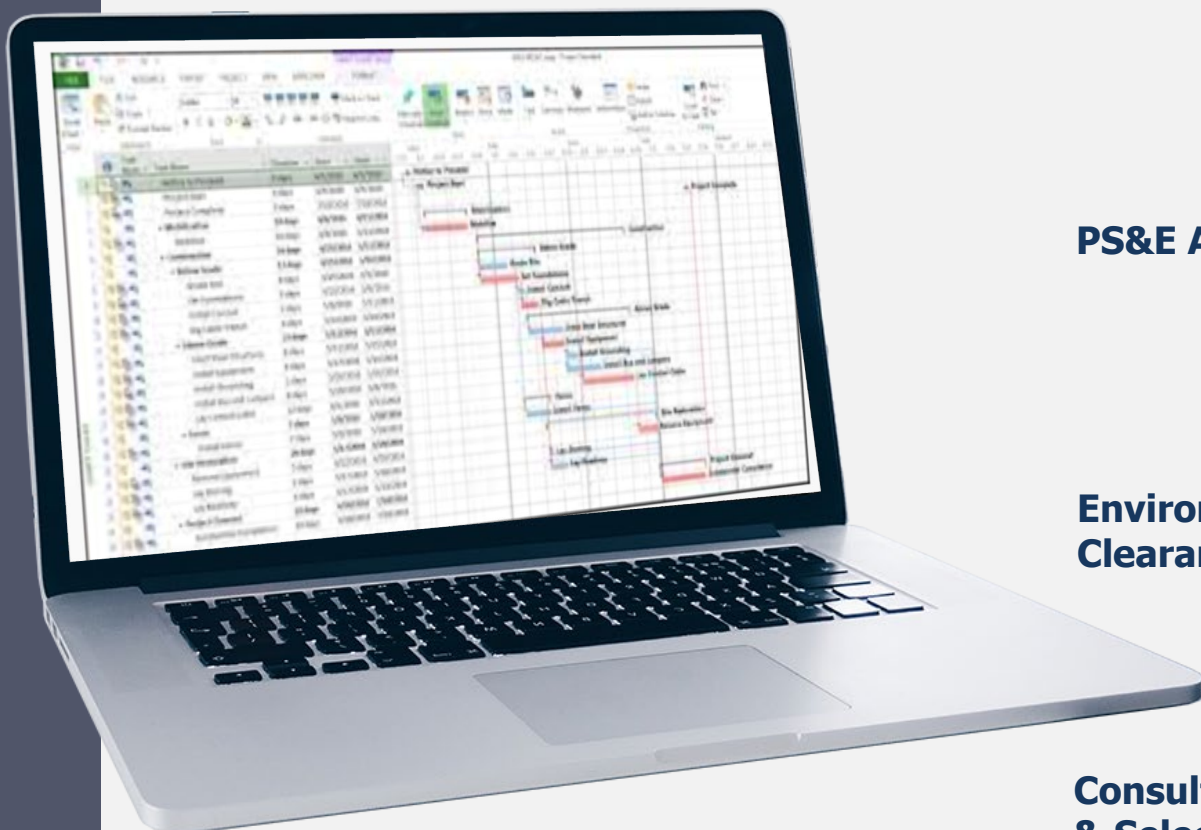

IMPROVED COLLABORATION

"Coming together is a beginning.
Keeping together is progress.
Working together is success."

- Henry Ford

We have made much improvement over the last year with standardized RFQ advertisements, the 6-month outlook, improved consultant invoice processing, & the ACEC / MoDOT Consultant Advisory Committee.. And the FUTURE IS EVEN BRIGHTER!

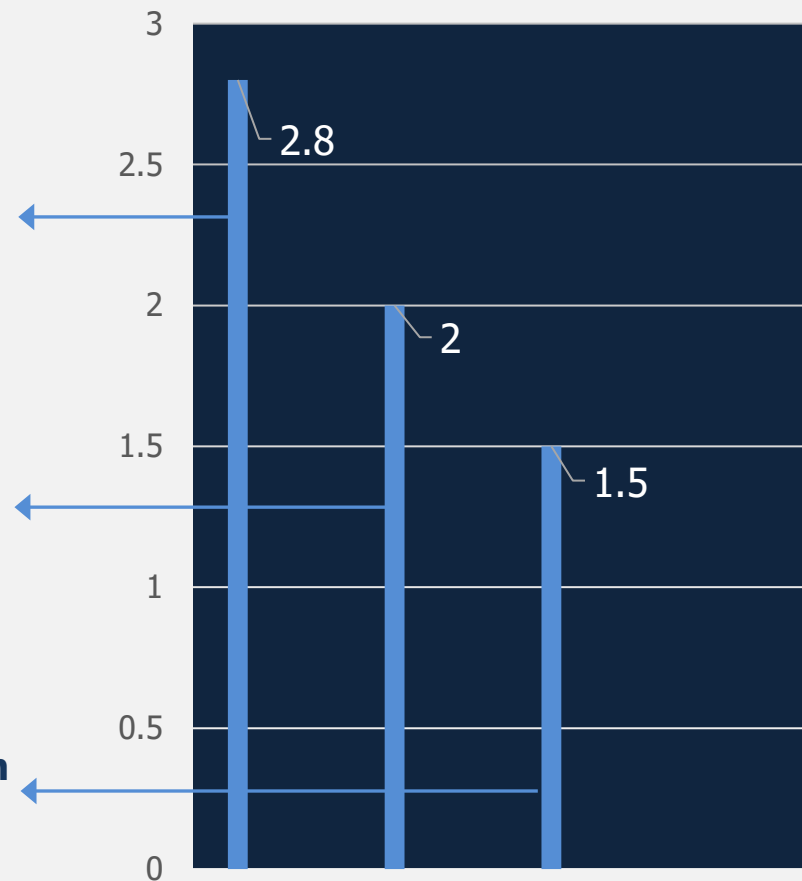

PROJECT SCHEDULING TOOL

PS&E Approval

Environmental
Clearance

Consultant Solicitation
& Selection

Don't freak out! We're building & testing a cool new tool that will allow us to set a project schedule – eventually for every project in the STIP!

INDEPENDENT COST ESTIMATES

Consultant Management System
